

STRANGER THINGS

A VISUAL GUIDE TO PREPOSITIONS

BETWEEN

Eleven is standing **between** Mike and Dustin.

Use **between** for a position separating two distinct people or things.

AMONG

Lucas is sitting **among** the boys.

Use **among** when someone or something is surrounded by a group.

IN FRONT OF

Hopper is standing ***in front of*** the police station.

Use ***in front of*** for a position ahead of another person or object.

BEHIND

Dr Brenner is standing ***behind*** the observation glass.

Use ***behind*** for a position at the back of someone or something.

ABOVE

The Christmas lights are **above** Joyce.

Use **above** when something is higher, without movement or contact.

OVER

The van is flying **over** the boys.

Use **over** for movement across or a position directly higher than something.

INTO

Nancy is climbing **into** the tree portal.

Use **into** for movement from outside to inside.

OUT OF

Eleven is getting **out of** the isolation bath.

Use **out of** for movement from inside to outside.

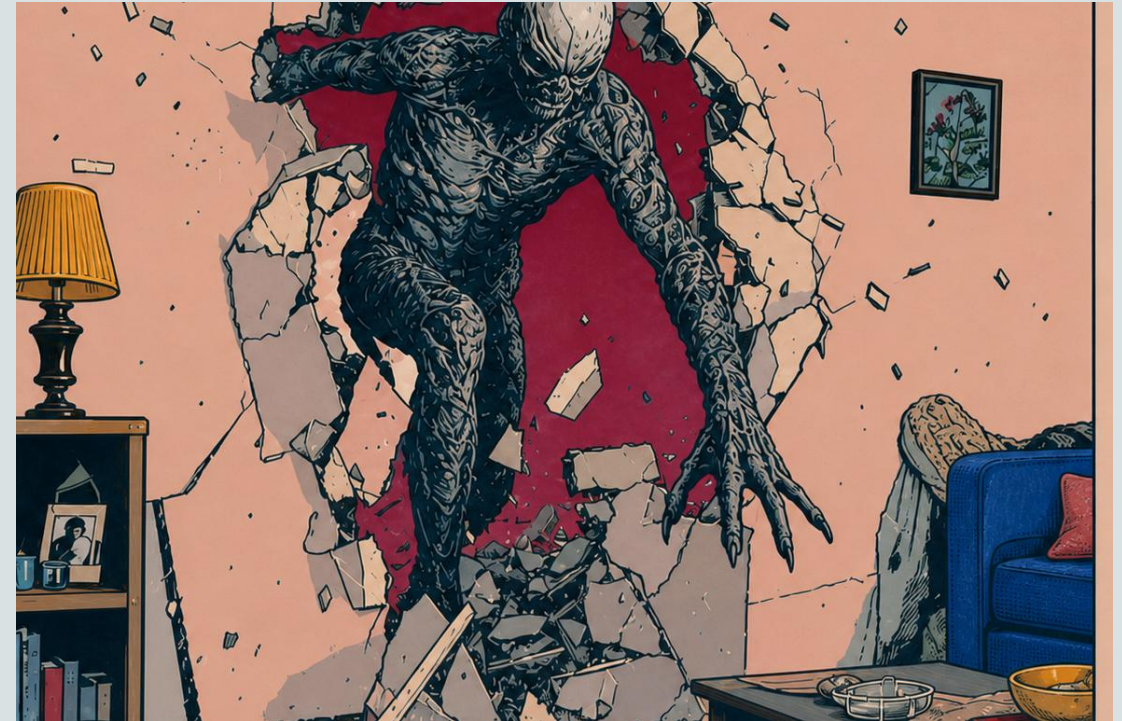

AROUND

Hopper is driving **around** Hawkins.

Use **around** for circular movement or movement within different parts of a place.

THROUGH

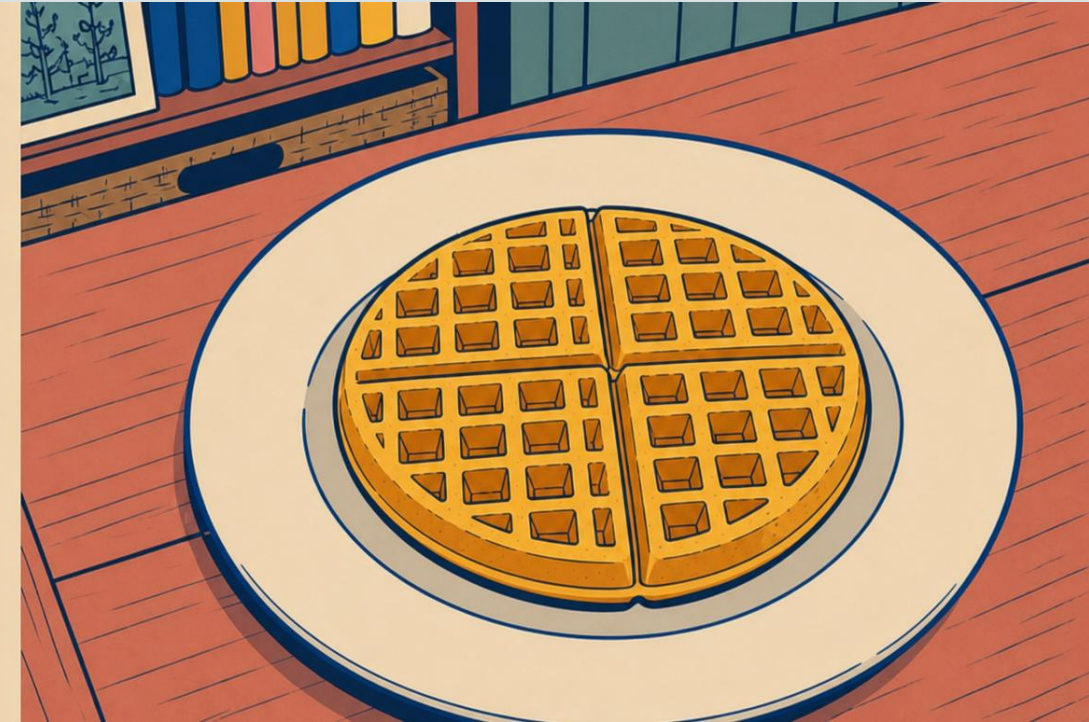

The creature is breaking **through** the wall.

Use **through** for movement from one side of an enclosed space to the other.

ON

The waffle is **on** the plate.

Use **on** when something touches and is supported by a surface.

UNDER

The walkie-talkie is **under** the table.

Use **under** when something is lower than, and often covered by, another thing.

ACROSS

The boys are cycling **across** the road.

Use **across** for movement from one side to the other.

ALONG

Jonathan is walking **along** the railway tracks.

Use **along** for movement following the length of a path or edge.

NEAR

Mike is standing **near** Eleven.

Use **near** when something is close, but not necessarily directly beside.

NEXT TO

Lucas is sitting **next to** Dustin.

Use **next to** when something is immediately beside another thing.

OPPOSITE

Nancy is sitting **opposite** Steve.

Use **opposite** for positions on different sides of a space.

FACING

Hopper and Joyce are **facing** each other.

Use **facing** when people or things are turned towards each other.

INSIDE

Joyce is standing **inside** the house.

Use **inside** for a position within a place, building or container.

OUTSIDE

Hopper is standing **outside** the house.

Use **outside** for a position beyond the limits of a place or building.

TOWARDS

Hopper is walking **towards** Joyce.

Use **towards** for movement in the direction of someone or something.

AWAY FROM

The boys are cycling **away from** the vans.

Use **away from** when the distance from someone or something increases.

BY

Hopper is standing **by** the map.

Use **by** for a position beside or very near something.

UNTIL

Mike is waiting **until** midnight.

Use **until** for an action or state continuing up to a particular time.

REVIEW

between / among • in front of / behind • above / over • into / out of • around / through • on / under • across / along • near / next to •
opposite / facing • inside / outside • towards / away from • by / until
